Marietta's husband, Armé, lived, worked and fished throughout Alexander Valley, the Yorkville Highlands and the McDowell Valley. From our vineyards in those same valleys, we combine the best of what these sites offer to create a unique Cabernet Sauvignon. This approachable but incredibly serious wine is representative of excellent site selection possible only through covering miles of ground and constant thought and exploration. Like Armé, this wine is refined with a slightly traditional style, it is also robust, rich and fruit forward: evocative of modern Californian winemaking.

92 points

A bold, pungent wine, the 2014 Armé offers a decidedly old school-influenced profile of dark stone fruit, black olive, herb, tobacco and licorice. Cool and savory, but with considerable depth, the 2014 Armé is another knock-out wine from Scot Bilbro. Readers looking for a value-priced California Cabernet will flip out over this wine. This is a very serious wine for the money.

FAMILY SERIES

Our history of family winemaking goes back four generations in Sonoma County. At current count, there have been seven different winemakers in the family. Each has had their own focus and style. The unifying elements have been family, hard work, passion, and a love of the creative process that is winemaking. Our Family Series consists of a Zinfandel, a Cabernet, and a Rhone-style Syrah Grenache blend. All three are carefully crafted from Estate Grown grapes from our properties in Northern Sonoma County, the McDowell and Hopland Valleys, and the Yorkville Highlands.
